

Grafton Invitational 14U Softball Tournament
June 13 – 14, 2015
Nelson Park, Grafton MA

Kick off the summer season with 6 games versus 6 different teams!

This tournament will be played under a Round Robin format which will give each team the opportunity to play 6 guaranteed games (two umpires every game) versus 6 different quality opponents.

This tournament has been extremely popular; each year this event sells out very quickly. We are limiting the field to just 12 teams. So, please register early to secure your spot. You may register online at www.asanewengland.com. Teams are not officially registered until we have received a check for the full tournament fee. *Please note that this event is sanctioned by the MASS ASA and only ASA-registered teams are eligible to participate.*

We believe that we offer one of the best tournament experiences in New England. All games will be at Nelson Park which has 3 well-groomed softball fields in one location. Our dedicated volunteers drag and reline the infields (all lines, not just the foul lines) ***before every game!*** The Field House includes a concession stand and clean rest rooms. Plus, there is ample parking and plenty of space for teams to relax between games.

We hope that the tournament will be a positive and enjoyable experience for the players, coaches, and families of each of the teams entered.

For more information please contact me directly.

TOURNAMENT RULES FOR 14U

This tournament will abide by all rules and regulations as stated under GIRLS FAST PITCH SOFTBALL in the ASA rule book with the following exceptions.

Team coaches or representatives must report to the Tournament Director at least 20 minutes before first game. The tournament director will review the rosters and proof of insurance at that time.

All players must wear matching uniforms. Metal spikes are NOT allowed. In case of player injury, (i.e. bleeding) the player will have a reasonable amount of time for uniform repair (umpires discretion). At this point, unlike uniforms are permitted and proper care should be taken for disposal of the bloodied garment.

For all games, home team is determined by coin flip.

Games are seven innings or time limit. No new innings will start after 1 hour 30 minutes. Umpires will declare last inning.

We will be using two umpires for all games.

Games can end in a tie. For playoff games, we will use the international tie breaker in case of a tie (see ASA rulebook).

This is a zero tolerance tournament. If you are ejected from a game by the umpire, you are banned immediately from the premises for the duration of the tournament.

The home team will keep the official scorebook if an official scorekeeper is not provided.

Immediately after each game, both teams will submit the game result to the Tournament Director (or designated official). It is the responsibility of each team to go to the Hospitality Tent and submit the score. Teams have 30 minutes after the end of their game to dispute a score. After that time all scores are final.

Protests **MUST** be settled on the playing field before the game will be allowed to continue. **JUDGEMENT CALLS BY AN UMPIRE ARE NOT GROUNDS FOR PROTEST AND CANNOT BE QUESTIONED.** No protest will be allowed after the game is completed. Tournament Director and Umpire Staff will hear protests and make a decision.

Tournament directors will have last say on any rule interpretation that is debated or anything else not fully defined in this document.

Should any game be suspended due to weather or unusual circumstances, it will be resumed from the point of suspension. If we have inclement weather, the tournament director reserves the right to amend the schedule, including reducing the number of games played, if necessary. We appreciate everyone's flexibility and patience should New England weather become an issue.

STANDINGS & PLAYOFF RULES

The 12 teams will be divided into two 6 team divisions.

Each team will play the other teams in their division for a total of 5 games.

Teams will be awarded 2 points for a win, 1 point for a tie.

Tie breakers will be used in the following order:

1. Head to head games (if more than two teams are tied, head to head applies if and only if the tied teams have all played each other),
2. Least amount of runs allowed,
3. Most runs scored,
4. Coin flip. (or “names drawn from a hat” if more than 2 teams are tied.)

After the 5th game, each team will play a one game “playoff” against their counterpart in the other division to determine the final standings. The #1 seed in the East division will play the #1 seed in the West division. The #2 team in East will play the #2 team in West and so forth. This will constitute the 6th game for every team.

The winner of the 1 vs. 1 playoff game will be declared the tournament champion. The winner of the 2 vs. 2 game will be the 3rd place finisher.

For each playoff game, there is no time limit.

In the event of a tie during a playoff game, we will use the ASA international tie breaker.

Please note: In the event that there are fewer than 12 teams in the tournament, it may be necessary to adjust the playoff system. It is possible we could go to a 2 game playoff or a straight points system with no playoff game. Whatever adjustments we make, the main objective is to offer the opportunity to play as many games as possible against as many different opponents as feasible. It is also possible if we have less than 12 teams, not every team will play a 6th game.
