

*Grafton Invitational 10U Softball Tournament
July 10 – 12, 2015
Nelson Park, Grafton MA*

We hope to have another outstanding tournament again this year. Last year's event featured teams from all over Massachusetts and beyond. Each team will have a chance to play three different teams on Friday and Saturday. The standings after the three games will determine the seeding for a single elimination playoff on Sunday. This will give each team a minimum of four games over the weekend (weather permitting).

We are limiting the field to just 12 teams. So, please register early to secure your spot. You may register online at www.asanewengland.com. Teams are not officially registered until we have received a check for the full tournament fee.

Please note that this 10U event is sanctioned by the MASS ASA. (*Out-of-state teams may be eligible to enter the tournament. Please contact us to discuss your situation.*) Teams must complete ASA rosters and have them available to the tournament director at all times.

We believe that we offer one of the best tournament experiences in New England. All games will be at Nelson Park which has 3 well-groomed softball fields in one location. Our dedicated volunteers groom and reline the infields ***before every game!*** The Field House includes a concession stand and clean rest rooms. Plus, there is ample parking and plenty of space for teams to relax between games.

We hope that the tournament will be a positive and enjoyable experience for the players, coaches, and families of each of the teams entered.

TOURNAMENT RULES FOR 10U

Please note that in order to accommodate town-based teams of varying abilities we have modified ASA Fastpitch Rules as noted below. It is not possible for us to have considered every possible scenario that can arise in a game. Therefore we hope that you view these rules in the spirit they are intended and not scour the rule book for loop holes that can be exploited.

1. Team coaches or representatives must report to the Tournament Director at least 20 minutes before first game. Teams must complete ASA rosters and have them available to the tournament director at all times.
2. All players must wear matching uniforms. Base coaches should be in team colors. Metal spikes are not allowed.
3. Protests must be settled on the playing field before the game will be allowed to continue. The Tournament Director's decision will be final. No protests will be allowed after the game is completed.
4. Teams will play with 9 fielders. Continuous batting order will be used. (So every player on the roster will bat.) Fielders may be substituted freely.
5. Any team not able to field eight (8) players will forfeit the game. If playing with 8, the batting order will list a 9th player. When it is time for the 9th player to bat, an automatic out will be recorded.
6. Games will be 6 innings. No inning can begin after 1 hour, 40 minutes. There will be no time limit for the semi-finals and finals on Sunday.
7. Pool games may end in a tie. If an elimination game is tied after six innings of play, the international tie-breaker will take effect at the top of the seventh inning.
8. Should any game be suspended due to weather or unusual circumstances, it will be resumed from the point of suspension.
9. Coin flip will determine home team for the pool games. Higher seed will determine home team for elimination games.
10. The home team will keep the official score.
11. Immediately after each game, both teams will submit the game result to the Tournament Director (or designated official). It is the responsibility of each team to go to the Hospitality Tent and submit the score. Teams have 30 minutes after the end of their game to dispute a score. After that time all scores are final.
12. The ASA mercy rule will be in effect: 15 runs after 3 innings, 12 after 4 innings or, 8 runs after 5innings.
13. 6 runs maximum per inning for the first 4 innings. No maximum for the 5th and 6th innings

14. Pitchers will pitch from 35 feet with an 11" ball. Only players will pitch; no coach pitch. Pitchers may give up an unlimited number of walks. Runners on 3rd may be walked in if the bases are loaded.
15. For the safety of the batters, the umpire will remove the pitcher from the pitching position in the event she hits three (3) batters in one inning or (4) four batters during the course of the game.
16. If removed from the game, the starting pitcher may return to the mound at any time. The new pitcher does not have to be on the field at the time she enters the game. (In other words, she may have been on the bench prior to entering the game. This also applies to a starter who was removed and returns to the mound.) A reliever may not return to the mound once she has been removed. This applies to the original starter who is removed a second time.
17. Players may lead on release by the pitcher. Stealing of 2nd and 3rd base is permitted; no stealing of home. Runners may attempt to advance – and score - on overthrows.
18. If the defense attempts to pick-off a runner, the ball will be considered in play and all runners, including a runner on third, may attempt to advance. (i.e. no free pick-off attempts).
19. After a pitch has been made, if the throw from the catcher to the pitcher is mishandled (pitcher does not have control), the ball will be considered live. Runners may attempt to advance. The attempt will be considered a steal and Rule 17 will apply.
20. No drop third strike. Players may not advance home on a passed ball.
21. No direct advance to 2nd base on a walk.
22. No infield fly rule.
23. Courtesy runner can be used for the pitcher and catcher. The courtesy runner must be the player who made the last out.
24. It is the responsibility of each team to attend to their first aid needs and supplies. Insurance is the responsibility of each team.
25. Each team is responsible for cleaning their bench after each game.
26. No smoking or alcoholic beverages will be allowed on the Nelson Park premises.

PLAYOFF RULES

Seeding will be based on win/loss record from Friday and Saturday games. 2 points for a win, 1 point for a tie.

Tie breakers will be used in the following order:

1. Head to head games (if more than two teams are tied, head to head applies if and only if the tied teams have all played each other),
2. Least amount of runs allowed,
3. Coin flip. (Or “names drawn from a hat” if more than 2 teams are tied.)
