

## **COVID-19: BSL SAFE-SITE SAFETY RULES AND GUIDELINES**

Per the CDC, Federal and State Authorities, and National Sport organizations to keep our kids, parents, spectators, officials and staff safe, the following modifications have been made to our travel tournament play.

Each head coach will be required to make certain that all of their coaches, players, parents and spectators will also be provided with a copy of these Rules and Guidelines, and that anyone that cannot abide by them will be required to not come to the Brunswick Softball facilities. Coaches are responsible for the compliance of all of their team members, parents and spectators. Any team that does not abide by these Safe-Site Rules and Guidelines will be subject to a game forfeit and/or removal from the league or tournament, without any refund.

As we move forward in these unprecedented times, it is very likely that these Safe-Site Rules and Guidelines will be revised and updated. All such updates will be distributed to each coach in a timely manner.

The Brunswick Softball board cannot stress enough how important it is that everyone cooperate with us and abide by these new procedures. There will be a ZERO TOLERANCE POLICY regarding these requirements. All visitors are required to obey all directives from our tournament staff regarding social distancing, face coverings, and facility operating policies. Anyone who refuses to follow these directives will be required to leave the facility. Should they refuse to leave, law enforcement will be called.
