

SOMERSET BERKLEY SOFTBALL LEAGUE

2023 SBSL Showdown Invitational

Please be sure to bring your [roster and proof of insurance](#) to the tent prior to your first game if you haven't emailed a signed & approved copy .

Please be sure to give the tournament director a team contact person/cell phone number so any tournament updates and final seeding can be communicated.

The tournament director's cell number is (774) 930-8020.

Please remember to clean the dugouts after each game.

Soft toss against any of the fences in the complex is [STRICTLY PROHIBITED](#).

You must report the score of your game to the tent after the game ends.

In the event of rain we will try our best to get in as many games as possible.

Please be aware that cow bells, air horns, and any other noise making devices are PROHIBITED from use during tournaments as they create distractions to the coaches, players, and umpires. Be sure to advise players and parents on your team of this restriction.

Please use caution and drive carefully when travelling to and from the softball complex as it is located in a heavily populated residential area.

Please do not park vehicles on the lawn or grass areas of the homes located around the softball complex. Vehicles may be parked on the grass area along the guard rail on Olympic Road. Please cooperate with the parking requests as we have received complaints and I would hate to see someone's vehicle towed for illegal parking.

All tournament rules are set by USA Softball of Massachusetts. The rules are attached to the tournament listing.
